Indicative US EPA combined in l / 100 km (not WLTP)	11.8		12.4	
PERFORMANCE				
Top speed (km/h) electronically limited	204		285	
0-96 km/h / 0-60 mph (sec.)	4.6		3.9	
Quarter mile (sec.)	12.9		12.2	

Technical data are based on manufacturer information (Stellantis, model year 2027, North American specification) and have been converted into metric units. Fuel consumption and CO2 values according to WLTP (EU Regulation 2017/1151) and the energy efficiency category will be added after Swiss vehicle approval. The US EPA value is indicative only and cannot be compared with WLTP values. Fuel consumption and CO2 emissions may vary depending on equipment, options and tyre type. Please ask your dealer for further information.

WARRANTY: 3 years / 60,000 km* on all Dodge Charger passenger cars

all.cars Global GmbH reserves the right to change equipment and prices at any time without prior notice. This price list supersedes all previous ones. The consumption figures in our sales documents are standardised fuel consumption values intended for comparing vehicles. In practice they may differ considerably depending on driving style, load, topography and season. We also recommend an appropriate driving style to conserve resources.

*Whichever comes first.
